

POLISH AMERICAN CONGRESS

Spring-Summer-Fall 2017 Action Alert

for
Reminding Members
of the
115th United States Congress
(January 3, 2017 - January 3, 2019)
In its First and Second Sessions
that the

Presidential Order of the Outgoing Administration for the Re-Deployment of Some 3,000 United States Armed Forces to Poland from Germany that Began on January 12, 2017 Should Not Be Rescinded by the New Administration for the Purpose of Achieving a United States Rapprochement and Dénouement with Russia

PART ONE. What follows below is a "road map" for contacting Congressional members in both the United States Senate and House of Representatives. Of the 100 members of the Senate included in Part One where this telephone campaign "action alert" begins, only the names of the 38 Senators representing the 19 states (AZ, CA, CT, DE, FL, IL, IN, MA, MD, MI, MO, NH, NJ, NY, OH, PA, RI, VA, and WI) in which we have official active Divisions in good standing, and are identified in bold red print are those to be called insofar as we are their voting constituents.

It is recommended that contact be made by phone to their offices in Washington, DC in a clearly-spoken, unhurried pace, and by reading the following statement concerning this "action alert" to the person answering the phone (or whoever she or he transfers you to) and upon completion, asking that it be brought to your Senator's attention:

"I am (fill in your name and residential address), a Polish American voting constituent of United States Senator (fill in his or her name here). It is of great importance to me that the Senator is cognizant of the fact that Poland is one of the most dependable allies of the United States, particularly as it relates to taking its obligations in NATO seriously. Russia under the Czars, then the communists, and now Vladimir Putin characteristically held and now holds

anti-Western positions on the wrong side of history, particularly as it relates to freedom, independence, democracy, and human rights, the best contemporary example of the latter point which has been the deployment of Russian fighter planes to bomb and strafe civilians of Aleppo and other places in Syria. As such, it is clearly and very important that our United States government should not be pressured from any external or internal source for rescinding the current re-deployment of elements of our nation's Armed Forces from Germany to Poland that began on January 12, 2017. Russia responds to an opponent's strength and steadfast resolve much more than it does to professions of admiration and friendship. That's how the United States won the Cold War during the presidency of Ronald Reagan. In short, let's keep elements of America's Armed Forces deployed in Poland. Americans are not and should never be subservient to Russia. Thank you.

Finally, if you have relatives, friends, and/or business associates in states not having Divisions of the Polish American Congress, let them know -- if they are so inclined -- that they can use this list of United States Senators to make their own phone calls to their Senators as well, and encourage them to do so.

NOTE: As it appears on the United States Senate website, on the matter of Class - "Article I, section 3 of the Constitution requires the Senate to be divided into three classes for purposes of elections. Senators are elected to six-year terms, and every two years the members of one class—approximately one-third of the senators—face election or reelection. Terms for senators in Class I expire in 2019, Class II in 2021, and Class III in 2023."

PART TWO. Contrasting with Part One in which all of our nation's 100 Senators are listed, this second part of the "action alert" only lists the names and related contact information for the Congressmen and Congresswomen representing the 19 states

(AZ, CA, CT, DE, FL, IL, IN, MA, MD, MI, MO, NH, NJ, NY, OH, PA, RI, VA, and WI), along with the District of Columbia, in which we have official active Divisions in good standing, and of which such states are designated in bold red print.

Again, it is recommended that contact be made by phone to their offices in Washington, DC in a clearly-spoken, unhurried pace. We ask that you read the following statement concerning this House of Representatives version "action alert" to the person answering the phone (or whoever she or he transfers you to) and upon completion, ask that it be brought to your Congressman's or Congresswoman's attention:

"I am (fill in your name and residential address), a Polish American voting constituent of United States Congressman/woman (fill in his or her name here). It is of great importance to me that he/she is cognizant of the fact that Poland is one of the most dependable allies of the United States, particularly as it relates to taking its obligations in NATO seriously. Russia under the Czars, then the communists, and now Vladimir Putin characteristically held and now holds anti-Western positions on the wrong side of history, particularly as it relates to freedom, independence, democracy, and human rights, the best contemporary example of the latter of which has been the deployment of Russian fighter planes to bomb and strafe civilians of Aleppo and other places in Syria. As such, it is clearly and very important that our United States government should not be pressured from any external or internal source for rescinding the current re-deployment of elements of our nation's Armed Forces from Germany to Poland that began on January 12, 2017. Russia responds to an opponent's strength and steadfast resolve much more than it does to professions of admiration and friendship. That's how America won the Cold War during the presidency of Ronald Reagan. In short, let's keep elements of America's Armed Forces deployed in Poland. Americans are not and should never be subservient to Russia. Thank you."

Finally, if you have relatives, friends, and/or business associates in your state who are not members of the Polish American Congress, let them know -- if they are so inclined -- that they can use this list to call their own Congressmen/women as well, and encourage them to do so.

Thank you for participating in Part Two as well. Please note as well that WMAD stands for our Washington Metropolitan Area Division which includes Maryland, Virginia, and the District of Columbia.

Thank you for participating in this necessary telephone campaign. Whereas the President of the United States has his own role to play, so does every member of the United States Congress which collectively bears an equal one-third share of responsibility in the governance of the United States along with the President and the Judicial branch. The purpose of this action alert underscores that there should be no United States - Russian Federation modus vivendi at the expense of Poland.

Finally, once specific legislation of interest and importance to our nation's Polish American citizen-voters is introduced on Capitol Hill in Washington, DC -- this road map for contacting members of the Congressional delegations representing the 19 states in which we live, should be used as well for contacting them.

Our united action can and does make a difference, not only in international affairs but also in domestic affairs.

Best reagrds,

Anthony J. Bajdek
Vice President for American Affairs
