Dear Senator McCain,

Thank you for your message and kind words of support.

We, the Polish American Congress, are very pleased to see that you agree with our position on the visa waiver issue and that you share our outrage over how unwarranted is the treatment of Poland - one of the best allies of our great nation.

We are looking forward to working closely with you on this matter, as well as many others of equal importance to the Polish American Community, in the near future.

We wish you every happiness and continued success.

Sincerely,

Frank J. Spula
President
