The Honorable Barack Obama  
President  
United States of America

Dear Mr. President:

On behalf of the Polish American Congress and Polish American citizens, I applaud and thank you for your visit to Poland and your efforts to bring Poland into the U.S. Visa Waiver Program.

This is long overdue for Poland and its citizens based on the relationship between the two countries for more than four hundred years, so we commend you on your position.

Allowing Poland to be part of the Visa Waiver Program will strengthen the spirit of friendship between our governments and peoples and will demonstrate true partnership and alliance.

We, as members of the Polish American Congress, look forward to working with you to ensure that this legislation passes and that Poland will join the 36 other nations around the world participating in the Program.

Once again thank you for your leadership and commitment to the cause.

Sincerely yours,

Frank J. Spula,  
President
